The mission of the Fulshear Police Foundation is to promote community involvement, provide needed equipment, training, technology and to maintain the excellence, professionalism and safety of the Fulshear Police Department.

Citizens Police Academy

Being a police officer is not the most sought after career. It may sound glamorous and exciting, but not many will put on the uniform and take the risks. A better understanding of what it is like to be a police officer sheds a whole new light on them. At the end of the day, a police officer has worked many hours protecting you and your community.

Citizen's Police Academy programs have been up and running for years in many cities around the country. Fulshear Police Chief, Kenny Seymour states that they were created in an effort to bridge the gap that can sometimes exist between law enforcement and the community they serve. Our Fulshear Police Department had its first class in the summer of 2017. Each week the class covers a different subject or experience, such as K9/Narcotics, Crime Scene Investigations, Traffic Stops, Use of Force, Fort Bend County Sheriff's Office and county jail, Building Clearing

The Citizens Police Academy is sponsored by the Fulshear Police Foundation.

You can join the Foundation online or by mailing your check to PO Box 1102, Fulshear, TX 77441.
