

FULSHEAR POLICE FOUNDATION

The mission of the Fulshear Police Foundation is to promote community involvement, provide needed equipment, training, technology and to maintain the excellence, professionalism and safety of the Fulshear Police Department.

**FIRST PLACE GUMBO
COOK-OFF WINNER
ANTHONIE DEKKER
CONGRATULATIONS!**

Our third annual Gumbo Cook Off was a huge success. We had 12 entries and each team prepared their own private and special recipe for the best Gumbo ever - or so each team claimed! The attendance was amazing and there was something for everyone. The kids - big and small alike - really loved Sgt. McCann, the mascot for the Fulshear Police. The live auction included a week in the Caymans, a beach house for a weekend, rides to school with a cop, a Chef's experience and Astro tickets. Each team had their own raffle for a gift basket - there was even an Apple watch. All money collected by the teams was given to the Foundation. All in all, the Foundation raised over \$30,000. Incredible! First place went to Dekkers, second was the West Houston Jeepers and third went to Gumbo to Beaux. Best decorated tent went to Sheep Dog.

ON-THE-JOB TRAINING

A typical day for a Fulshear Police Officer! Whether it is chasing a bad guy, or answering a call for help, the Fulshear Police officers are ready to tackle whatever comes their way!

The children at Texas Children's Hospital West were recipients of a huge surprise when the Fulshear Police along with "Sgt. McCann" wheeled in loads of toys for all ages. There were squeals of joy and lots of laughter and tears as the toys were distributed among the children along with hugs and high-fives!

The Fulshear Police are loved! You will find them picking up a child and giving them a ride to school or visiting schools along with "Sgt. McCann" because they know how important it for children to know that the Fulshear Police are their friends.
